SECTION 1

SIGNIFICANT EVENTS

Case Report 23-0888

On Feb. 16 at 11:26 a.m. officers were dispatched to an injury crash in the 2100 block of East Bromley Lane. Upon arrival, officers observed a black Chevrolet Avalanche that had collided with the large window on the front of the house by the front door. The house was on the south side of East Bromley Lane on a large plot of land used for agriculture. There was no one inside of the residence when the crash occurred. The 20-year-old male driver stated he was attempting to pass a semi and lost control of the truck when he rammed into the house. The investigation by our Traffic Safety Unit showed no signs of drugs or alcohol. The driver was issued a summons for Careless Driving.

THIS WEEK'S CRIME PREVENTION TIP

This week we reported 10 cases involving domestic violence and 12 involving motor vehicle theft. These are both serious incidents that have significant impact on victims, and these numbers are higher than usual.

We encourage community members who are experiencing domestic violence, or know someone who is experiencing it, to visit www.thehotline.org. This is the National Domestic Violence Hotline that includes a variety of resources and information such as how to create a safety plan, how to identify abuse, how to support victims and more. As always, we are just a phone call away.

Motor vehicle theft, as we know, has also been reaching record high numbers in the City of Brighton. The best defense against this crime is to always lock your doors, don't leave your keys in your vehicle, and park in well-lit areas or a garage if possible.
